About AOYAMA VIETNAM CO.,LTD

At Aoyama, we aim to be a constantly evolving coating manufacturer. We also work to see the world from a global perspective by building partnerships with associated companies, and develop new ideas in the manufacturing business.

Company strengths

By having our overseas base in Vietnam (Ho Chi Minh City), we can respond to a wide variety of requests. From our assembly of specialized Japanese firms, we guarantee to deliver Japanese quality in all of our plastic goods.
