### About SOUSHOW Co.,Ltd.

Our multipurpose film helps people to stay safe and protects their way of life. We offer total support from development through sales and construction.

### Company strengths

We are proud to say that our highly transparent heat shielding film (X-3) and security film (SSP1218) are the best performing films in the world. Our CEO promotes safety in the developing film industry as a member of the JIS (Japanese Industrial Standards) standards committee.
